

Cheetah Class Newsletter

Class Teacher

I can't quite believe we are coming to the end of our first term together. What a term it has been! We have challenged ourselves at Robinwood, started our prefect roles and been fantastic role models to the younger children in school. We have also worked exceptionally hard academically and I am so proud of all of Cheetahs! I loved meeting lots of parents and carers this week and discussing your child's progress – if anybody did not have a meeting and would like a call next week, please do let me know.

Curriculum

History – this half-term, the children have been learning all about the Second World War. We have looked at lots of vocabulary such as appeasement and treaty and analysed the causes of this war. In English, we have read all about Anne Frank and in Guided Reading, we have been studying poems from WWII. This is a topic the children have really enjoyed.

P.E. – we have been extremely lucky to be taught basketball by Ellen, from Liverpool FC Foundation. Each Thursday, Ellen comments on the manners and teamwork of Cheetahs and it is amazing to hear! The children have learned how to dribble, shoot and pass. I think we have some future basketball players in the making!

Science – Miss McCauley (our trainee teacher) has been teaching us all about physical and chemical changes in Chemistry. The children have LOVED either watching or participating in experiments that explore this. Their favourite was analysing the effects vinegar and bicarbonate of soda have when mixed together.

Stars of the week (06.12.24)

Star of the Week – Jake
 Reading Champion – Kelsie
 P.E. Star – Isabel
 Rights Respector – Erin

Stars of the week (13.12.24)

Star of the Week – Oliver D
 Reading Champion – Max
 P.E. Star – Layla
 Rights Respector – Gracie
