

Class Teacher

It has been lovely the last 2 weeks watching how excited the children are about the high schools they have been allocated for September. This is such a massive step in their lives and seeing them embrace it with excitement and optimism is lovely. Over the next few weeks, I will be having meetings with the new high schools to discuss your children and tell them how truly lucky they are to be having them.

Curriculum

Maths – We have had a busy couple of weeks since I last issued a newsletter. We have completed a unit of work on measurement, ensuring children know to convert metric units. For example, converting kilograms to grams and the inverse. We then moved on to negative numbers. We have been analysing our number system and completing calculations that bridge over 0.

English – Our newest text, The Templeton Twins has been one of absolute joy. It is written from the viewpoint of a narrator who is extremely sarcastic and witty. The children have loved ‘responding’ to his questions and challenging his thoughts. We have reached the ending of this book and are now designing our own latest inventions and creating stories based on these. Some of the inventions designed I think I would love to have myself, particularly the self-spreading Nutella machine!

Reading – Our latest text, Real-Life Mysteries has had every child hooked since the beginning. To begin, children were discussing how they either did or didn’t believe in UFOs, or the Loch Ness Monster. Since learning how to critically analyse evidence, children are beginning to alter their beliefs.

Healthy Schools

We have recently become a Healthy School. This means our school menu has been changed to include more nutritious meals and desserts are fruit and yoghurt for majority of our week. We are hoping that parents can help support their children’s healthy lifestyle by providing healthy snacks for break times and packed lunches are containing healthy options, with minimal sugar where possible.

Certificates – 07.03.25

Star of the Week – Tony T
 Rights Respector – Rafael T
 P.E. – Tallulah S
 Reader of the Week – Daisy S

Certificates – 14.03.25

Star of the Week – Layla D
 Rights Respector – Cayden G
 P.E. – Oliver D
 Reader of the Week – Amber G

Important Information

P.E. Days – Tuesday and Friday
 Snacks – Please ensure children are bringing healthy snacks to school for break and lunch times
 Monday and Tuesday – after-school Maths and English clubs
