

Jaguar Class Newsletter

27.02.25

Jaguars have settled back into the Spring term amazingly! The children have loved playing out with the sun shining. We have started a new book in English 'The Odd Egg' and the children have been using their prediction skills to try and think who the eggs belong to.

The Chester Zoo trip is soon approaching and the children are very excited. This will take place on the 28th of March.

English

We are starting our new book 'The Odd Egg' by Emily Gravett. The children are very excited to find out where the duck's egg has gone and why he doesn't have an egg like all of the other ducks!

Maths

In Maths, we have been exploring multiplication. This week the children have been learning about equal groups. Children have been using counters to make a different number of equal groups. I am very impressed!

Science

In Science, our unit this half term is lovely, the children are learning about 'Sound'. This week we have explored the five different senses and what we use them for.

History

In History we are finishing the topic of "The Great Fire of London". The children have started to piece together a timeline of the events that took place. The children could not believe that there were no computers in 1666!!

PSHE

In PSHE, we are enjoying the new Jigsaw unit 'Healthy ME'. We have begun by understanding different ways that we can be healthy.

DT

We have moved onto DT this term. We will be learning about freestanding structures. The children will be looking at different structures in the playground.

Music

In Music, we will be completing the unit, Round and Round. We will learn how to find the pulse in the songs and eventually get to perform the songs to other Jaguars.

PE

The children are exploring the units 'brilliant ball skills' and 'Gym fit Circuit'. The children will be developing their throwing and catching skills in their Multi Skills session and work on strengthening their core in fitness sessions.

News

Daily Reading at home

Please spend 10 minutes reading with your child, and record this in their reading records, it helps them to become confident and fluent readers who can move through the Read, Write Inc scheme. Please speak to staff in class if you require any further support with your child's reading.

Uniform

Please ensure your child's uniform is labelled clearly with their name. This will really support staff in returning any lost uniform.

Water Bottles

Please ensure your child has a water bottle with them in school each day.

PE

Year 1 PE days are on Wednesday and Friday, please ensure your child arrives to school in their PE kits on these days.

Snack

In year 1 children are provided with daily fruit as an option of snack. Children can bring in their own additional healthy snack for break time.

Stars of the Week

I want to say a big well done to these two children for trying so hard and showing the Whiston Willis Way:

14.2.25- Jack H

28.2.25- Nancy C
