

Nursery News

Friday 15th November 2024

Squirrel class have enjoyed a busy week spotting lots of signs of Autumn! Children were excited to make their own Autumn crowns to wear on our Autumn welly walk around school and found lots more Autumn treasures. We made some lovely leaf Art work with our collections of golden leaves too! We have been reading lots of "Percy the Park keeper" stories with the Autumn animals and our favourite story has been "We're Going on a Bear Hunt.". Next week, we will begin our Talk for Writing text "It was a cold dark night" where we will be thinking about what happens to animals in Autumn. We will be developing our Literacy and early phonics skills through the text and we will be using construction and loose parts to make dens for the Autumn animals. We also have lots more Autumn activities planned such as Autumn leaf parachute games, pine cone weaving and making play dough hedgehogs.

Reminders...

PE day is Friday. Please send your child to Nursery dressed in dark, plain coloured joggers/leggings and pumps or trainers

Please return home-school diaries on Mondays.

Home Activity...

This week, we have loved learning some Autumn songs and rhymes. Please learn the poem "Autumn leaves" with your child at home and encourage children to colour/decorate the leaves with Autumn colours.

Many thanks for your ongoing support.
