

Penguin Class Newsletter

Messages

- We continue to remind the children of Our School Values which are:
Be Respectful Be Responsible Be Safe

English

- We have finished our work on Leon and the Place Between by writing our version and publishing it into a book. We have started our new book Small in the City. We have thought about whether we would prefer living in a big city centre or the countryside and where we would think a cat would prefer to live too!

Maths

- We have started a new chapter in our maths focussing on the 3, 4 and 8 times tables. We have looked at ways we can work out answers if we don't know a particular question by looking at what we do know, for example if we know that $5 \times 4 = 20$ then we can work out 6×4 by adding 4 to 20. We have learned that the word product means to multiply. We have also started to look at division facts.

Science

- We have continued to think about raw and synthetic materials and how raw materials can be changed to make synthetic ones.

Geography

- In Geography, we have looked at how England is split up into different regions. We know that Liverpool is in the North West. We have looked at maps to see what cities are in each of the regions.

PE

- This week we have been using different bats and balls in our throwing and catching unit. Learning different skills to hit the ball. In our core strength unit we have been completing circuits to improve our strength.

PSHE

- We have continued our work on being kind to others and thinking about what we say to each other. We have also discussed cyber bullying and to think about what we put in a message.

News

Academic Excellence

Well done to the following children who have been our 'Workers of the Week' in recent weeks:

- ❖ Grace, Isla, Alfie and Le
- ❖ Theodora, Ellie, David and Cayla

Clubs

- Children have been enjoying our range of extra-curricular clubs offered to them.

PE

Children can attend school in full Whiston Willis PE kits on Wednesday and Thursday.

To see all our latest learning and for school updates, please follow @MissArmstrongWW and @WhistonWillis1 on twitter.

Thank you for your continued support
Miss Armstrong
