

## Penguin Class Newsletter

### Messages

- We continue to remind the children of Our School Values which are:

**Be Respectful    Be Responsible    Be Safe**

### English

- We have finished our text *The Heart in the Bottle* and wrote a letter of advice to the lady in the story. We have started our new book called *Tin Forest*. We have looked at how we can help reduce waste and help save the environment. We are really enjoying this story and like the old man Who is the main character.

### Maths

- We have completed our second unit of multiplication and division using formal methods. We are becoming more secure using the bus stop method to work out division calculations. We are about to start a new chapter all about measuring.

### Science

- Science has been lots of fun, listening to different frequencies to check our hearing compared to some animals. We listened to the different pitches of instruments too.

### History

- In History we have continued our work on the Shang Dynasty, learning about different emperors and warriors that lived there. We also found out that the people of the Shang Dynasty discovered that there are 365 and  $\frac{1}{4}$  days per year.

### PE

- We have continued to skip with skipping ropes of different sizes including running in to a big rope that others are turning. We have continued to do different jumps and rolls in gymnastics.

### Art

- In art we are completing a unit of work on photography. We have completed some research looking at different pieces of art that others have recreated. We have thought about the subject and the composition of each piece.

### News

#### Academic Excellence

Well done to the following children who have been our 'Workers of the Week'

- ❖ **Grace, Harry, Ben and David**

#### Clubs

- Clubs have all started and children have been enjoying them.

#### PE

Children can attend school in full Whiston Willis PE kits on **Tuesday and Friday.**
