

Koala Class Newsletter

Class Teacher

What an incredible beginning to our journey as a class, Team Koala! In just three short weeks, we've accomplished a remarkable amount. We've had the privilege of hosting knowledgeable visitors who've enriched our understanding of parliament, successfully completed an entire unit in maths, and pushed ourselves to higher fitness levels during our bootcamp and tag rugby sessions. Thank you all, Koala class, for making me feel so welcomed, as a new member here at Whiston Willis. I cannot wait to see the outstanding achievements that each and every member of our class will undoubtedly reach.

Curriculum

This week, our school's expectations have been outlined to all children. We have been following the Whiston Willis Way, which emphasises walking around school respectfully and enhancing our listening skills within classrooms. The remarkable display of manners and politeness that I have witnessed each morning are amazing and show what polite children we have here at Whiston Willis.

This half-term, our academic curriculum is as follows:

English – Texts = The Man who Walked Between the Towers and Beowulf

Reading – Text = The Polar Bears' Explorer Club

Maths – Topics = Place Value and Four Operations

Geography – Polar Regions

Science – Particles and Chemical Reactions

Computing – Online Safety

French – Presenting Myself

PSHE – Being Me in My World

D.T. – Combining materials

Music – Jazz

P.E. – Tag Rugby and Boot Camp

For more information on what these topics contain, please go to Koala Class at

www.whistonwillis.co.uk

Stars of the Week

11.09.23

Star of the Week – Josie

Rights Respector – Amber

Reader of the Week – Cora
