Issue 5

Messages

- A reminder for children to log on to complete homework tasks Maths.co.uk, TT rockstars and Ed Shed – spellings.
- We continue to remind the children of Our School Values which are:
Be Respectful Be Responsible Be Safe

English

- We have continued our work on Black Dog by Levi Pinfold. We have discussed speech and how to use inverted commas in our writing. We have described the black dog using the suffixes ous and ness.

Maths

- We have started a new chapter in our maths focussing on the 3, 4 and 8 times tables. We have looked at ways we can work out answers if we don't know a particular question by looking at what we do know, for example if we know that $5 \times 4 = 20$ then we can work out 6×4 by adding 4 to 20. We have learnt that the word product means to multiply.

Science

- We have continued to think about raw and synthetic materials and how raw materials can be changed to make synthetic ones.

Geography

- In Geography, we have looked at how England is split up into different regions. We know that Liverpool is in the North West. We have looked at maps to see what cities are in each of the regions.

PE

- This week we have been using different bats and balls in our throwing and catching unit. Learning different skills to hit the ball. In our core strength unit we have been completing circuits to improve our strength.

PSHE

- We have continued our work on being kind to others and thinking about what we say to each other. We have also discussed cyber bullying and to think about what we put in a message.

News
