Activity 1:

Create a piece of artwork to show your support for the Black Lives Matter movement. These can be drawings, paintings, collage or created digitally. Many people are attending mass gatherings to show their support but this is currently not safe to do. We can show our support by creating a piece of art to be shared on our school twitter.

## Black Lives Matter

Things to consider

Are you going to add a slogan to your art work?

What colours are you going to use?

Think about the composition of your piece.
