

WHISTON WILLIS PRIMARY ACADEMY

RE: Homework

Dear Parents/Carers

Welcome back to school, for what we are sure is going to be a fantastic year. Below are the login details for your child's homework platforms. This remains unchanged and is crucial your child participates in this. If for any reason you do have the resources to complete online learning, please do let me know and we will arrange an alternative format.

Expectations

Freckle – 30 minutes per week

Freckle is an online Maths platform that is linked to assessments your child completes within school. This allows calculations to be set based on your child's individual mathematical journey and so challenges them appropriately. Children can practice a range of skills or focus on specific areas for improvement.

Spelling Shed –30 minutes per week

Spelling Shed is an online spelling platform that allows children to practice spelling words in a fun way. This is completed through games and children can earn coins that they can spend within the app.

Reading – 5 times per week minimum

Boom Reader (formerly GoRead) is an online platform that allows children to record their reading. In years 3 and 4, we request parents listen to your child read at least 5 times per week and record this on your child's reading record.

TTRockstars – 30 minutes per week

TTRockstars is an online times tables programme that allows children to practice their times tables through games. We encourage children to play this 3 times per week in order to ensure fluency within times tables knowledge. As your child is in year 3 they will use multiple arenas within the game: Garage (teacher set times tables) and studio which allows children to practice all times tables.

The above expectations can be completed in whichever way supports you as a family e.g. 30 minutes one per week, 10 minutes 3 times per week etc.

On the reverse of this letter, you will find your child's login details for each platform.

Thank you for your continuing support.

Mrs Pender
