Curriculum Progression

Subject: Music

Understanding of the World Past and Present

Nursery

Nursery mainly focus on eyfs development matters statements age 3-4. Music falls under the "Expressive arts and design" area of learning so targets include e.g. Listen with increased attention to sounds, Respond to what they hear, Sing a pitch of tone, Sing melodic shape of familiar song, Create own songs, Play instruments with feelings. We often use "music express" and "I can" music cds. Music is enhanced through activities such as make own shaker pots, instruments, listening walks, drum outdoors, create a stage, performance area, listening pots, environmental sounds, body sounds, copy musical patterns, musical stories etc. Children sing a lot in nursery! We make up own songs e.g. songs for tidy up, line up time, wash our hands... etc.

There are lots of musical elements in our early Phonics activities through "Letters and Sounds" phase 1 -Communication, Language and Literacy focus but the guidelines refer to how music plays a key part in developing children's learning. There are 7 aspects in Phase 1, all focused on "tuning into sounds", "listening and remembering sounds" and "talking about sounds". Key letters and sound phases for music are Aspect 2 - Instrumental sounds, Aspect 3 - Body percussion, Aspect 4 - Rhythm and Rhyme and Aspect 6 - Voice sounds. We have many songs and musical activities to support this.

- To lead a rehearsal session.

Improvisation

Improvise using instruments in the context of a song to be performed. Use the improvisation tracks provided and improvise using the Bronze, Silver or Gold Challenges.

To know and be able to talk about improvisation:

- Improvisation is making up your own tunes on the spot
- When someone improvises, they make up their own tune that has never been heard before. It is not written down and belongs to them.
- To know that using one, two or three notes confidently is better than using five
- To know that if you improvise using the notes you are given, you cannot make a mistake
- To know that you can use some of the riffs and licks you have learnt in the Challenges in your improvisations
- To know three well-known improvising musicians.

Composition

To know and be able to talk about:

1. Play and Copy Back ○ Bronze – Copy back using instruments. Use one note. ○ Silver – Copy back using instruments. Use the two notes. ○ Gold – Copy back using instruments. Use the three notes.
2. Play and Improvise You will be using up to three notes: ○ Bronze – Question and Answer using instruments. Use one note in your answer. ○ Silver – Question and Answer using instruments.  - Classroom Jazz 2 – Improvise with a feeling for the style of Bossa Nova and Swing using the notes D, E, G, A + B (pentatonic scale/a five-note pattern).

Composition

- Create simple melodies using up to five different notes and simple rhythms that work musically with the style of the Unit song.
- Explain the keynote or home note and the structure of the melody.

- A composition: music that is created by you and kept in some way. It's like writing a story. It can be played or performed again to your friends.
- A composition has pulse, rhythm and pitch that work together and are shaped by tempo, dynamics, texture and structure
- Notation: recognise the connection between sound and symbol.

Performance

To know and be able to talk about:

- Performing is sharing music with an audience with belief
- A performance doesn't have to be a drama! It can be to one person or to each other
- Everything that will be performed must be planned and learned
- You must sing or rap the words clearly and play with confidence
- A performance can be a special occasion and involve an audience including of people you don't know
- It is planned and different for each occasion
- A performance involves communicating ideas, thoughts and feelings about the song/music.

- Listen to and reflect upon the developing composition and make musical decisions about how the melody connects with the song.
- Record the composition in any way appropriate that recognises the connection between sound and symbol (e.g. graphic/pictorial notation).

Performance

- To choose what to perform and create a programme.
- To communicate the meaning of the words and clearly articulate them.
- To talk about the venue and how to use it to best effect.
- To record the performance and compare it to a previous performance.
- To discuss and talk musically about it - "What went well?" and "It would have been even better if...?"
