Subject: Year 3

Dear Parents/Carers,

Due to more children and staff returning to school from Monday 22nd June, it is important that we review our Educational Offer in school and at home to ensure it is manageable and effective for both our pupils and staff. We have therefore made the decision to move to **Oak National Academy** for some of our learning, which is a government recommended online teaching school, bringing teacher-led lessons into your home.

Outlined below is the timetable we will be following on site in school and we suggest that you follow the same format at home.

All lessons referenced can be found on the Oak National Website <https://classroom.thenational.academy/>. Simply click on *classroom – find lessons – year group – subjects – click on the appropriate subject – lesson* and navigate through the session as directed. All lessons are easy to follow and delivered by a teacher.
