

What to do Reading

*IMPORTANT Parent or Carer –
Please check that you are happy with any weblinks or use of the internet.*

Our focus today is reading

1. Read a story

Share and read together to enjoy **Do You Like**. Pause to discuss pages if they seem to remind you of your child!

2. Respond to the story

- What does your child like? Dislike?
- Today we shall be writing about things we like and things that we perhaps like more.
 - Look again at the story.
 - Think of something your child likes and something connected that they like more.
- Now look at the page below and help your child to record these things.
- OR you can record something they dislike... And dislike more!

Try these Fun-Time Extras

- Draw three things you really like to eat. Can you write their names?
- Draw three things you really don't like to eat. Can you write their names?
- Stick this page on the fridge with a magnet so that everyone remembers!
