

LO: I can name and locate some of Russia's main cities and compare the population to the U.K.

Russia	
City	Population (Million)
Nizhniy Novgorod	1.3
Moscow	12.6
Novosibirsk	1.4
Yekaterinburg	1.3
Kazan	1.1
Samara	1.2
Omsk	1.1
Saint Petersburg	4.8

United Kingdom	
City	Population
Liverpool	864 122
Bristol	617 280
Birmingham	984 333
London	7 600 000
Sheffield	685 368
Leicester	508 916
Nottingham	729 997
Glasgow	591 620

Order the cities in order of population from smallest to largest

Russia \_\_\_\_\_

U.K. \_\_\_\_\_

In Russia, about 73% of Russia's population live in its urban areas (cities). Most of these cities are located in the west of the country. Russia has 12 cities with more than one million people. The remainder of Russia's population live in the sparsely populated rural areas, which is a complete contrast to urban life.

Which city has the largest population in Russia and the U.K?

\_\_\_\_\_

Which city has the smallest population in Russia and the U.K?

\_\_\_\_\_

Using all of the data above, compare the population distribution of both Russia and the United Kingdom. What does this tell you about the two countries?
