

Home Learning - Maths

Year Group: 5

Date: Monday 18th May 2020

Subject: Maths

Prior Learning: Decimals Year 4:

- find the effect of dividing a one- or two-digit number by 10 and 100, identifying the value of the digits in the answer as ones, tenths and hundredths
- round decimals with one decimal place to the nearest whole number
- compare numbers with the same number of decimal places up to two decimal places

New Learning: Decimals Year 5:

- round decimals with two decimal places to the nearest whole number and to one decimal place
- read, write, order and compare numbers with up to three decimal places
- recognise the per cent symbol (%) and understand that per cent relates to 'number of parts per hundred', and write percentages as a fraction with denominator 100, and as a decimal

Activity:

For all Maths lessons, please go to the following link:
