

## Home Learning - Maths

Year Group: 5

Date: Monday 20<sup>th</sup> April 2020

Subject: Maths

Prior Learning: Decimals Year 4:

- find the effect of dividing a one- or two-digit number by 10 and 100, identifying the value of the digits in the answer as ones, tenths and hundredths
- round decimals with one decimal place to the nearest whole number
- compare numbers with the same number of decimal places up to two decimal places

New Learning: Decimals Year 5:

- recognise and write decimal equivalents of any number of tenths or hundredths
- compare numbers with the same number of decimal places up to two decimal places
- add and subtract decimals

### Activity:

For all Maths lessons, please go to the following link:
