

Rights Respecting Schools

March Newsletter

08.04.2022

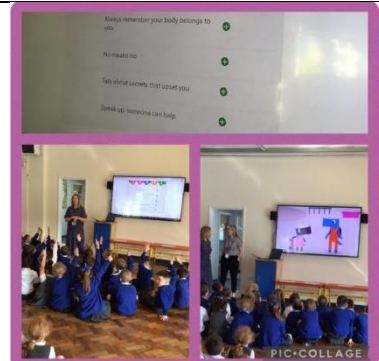

Welcome to our Rights Respecting Schools monthly newsletter! We are currently a Silver Rights Respecting School, working towards becoming Gold. We aim to learn about children's rights and put them into practice every day. We work towards this goal together with the children, making a positive impact on the whole school community.

Article of the Month

Each month we will be choosing an article of the month to focus on in assemblies and discussions in class. We hope to widen children's understanding of their rights and develop their knowledge.

This month our Pupil Leadership Team chose Article 16 – the right to privacy as our article of the month.

In Key Stage One, we looked at NSPCC's Pantosaurus to remind children that pants are private and that they have the right to say no. The children loved joining in with the Pantosaurus song!

Pupil Leadership Team and the Easter Raffle

This month, our Pupil Leadership Team decided they would like to fundraise for Ukraine. We were overwhelmed with the amount of donations of Easter eggs and chocolate that we received and were able to raffle 3 large hampers as well as lots of other smaller prizes.

We are incredibly proud of the team for their fundraising. Thank you to you all for supporting them, we have managed to raise an amazing £538 to support Ukrainian families.

We've had another great session at debate club discussing issues such as the right to rest and play and the right to learn and develop our own unique talents #WWPARRSA

Debate Club

Our after-school debate club have been talking about children's rights, discussing children's rights to play and rest, their right to learn and their right to develop their own talents.

This has been a great opportunity for the children to discuss important issues and share their opinions.

Rights Respecters of the Week

Each week in our phase assemblies, children are chosen as Rights Respecters of the Week. These children are spotted by staff for respecting their rights and the rights of others around school. This could be in class, on the playground or around the school environment. Well done to all those children who have been selected this half term!

Wishing you all a wonderful Easter break!

Thank you for your continued support

Mrs A. Askew
