

Year Groups: Years 1 and 2 (KS2)    Date: Monday 11<sup>th</sup> May 2020

Subject: Science - Seasonal Change

LO: I can observe and describe weather associated with the seasons

LO: I can perform simple tests

Prior learning: What is a season? What are the names of these?

Monday	3cms
Tuesday	1cm
Wednesday	2cms

Pre-Learning Activity: How can we measure rainfall? \_\_\_\_\_

<https://www.youtube.com/watch?v=BdeKdITOnw0w>

### Activity 1:

How much rain is really falling when you watch a heavy shower through the window of your home? How about on other days when it's just a light shower?

Find out by making your own rain gauge and record on a simple table like the one above.
