

# WHISTON WILLIS PRIMARY ACADEMY

Year Groups: Years 1 and 2 (KS2) Date: Monday 18th May 2020

Subject: Science - Seasonal Change

LO: I can observe and describe weather associated with the seasons

LO: I can perform simple tests

Prior learning: What is a season? What are the names of these?

Pre-Learning Activity: How do we find out how warm the water is?

<u>Day</u>	<u>Morning</u>	<u>Midday</u>	<u>Night</u>
<u>Monday</u>	9°C	12°C	4°C
<u>Tuesday</u>			
<u>Wednesday</u>			

How to read a thermometer -

<https://www.youtube.com/watch?v=TWaMAxSsptw>

How to make your own thermometer -

<https://www.youtube.com/watch?v=rtsg-l0AxbY>

## Activity 1:

Place a cup of water outside. Use a thermometer at 3 different times in the day to see if the temperature of the water changes.

Record on a simple table like the one above.
