Children's Mental Health Week.

We have loved seeing all of our tigers expressing their individuality today in their own clothes. We completed a circle time to share our outfits choices and played a bingo game to learn about our similarities and differences.

Valentine's Disco is next Wednesday 12th February straight from school until 4:30pm. Please return your child's permission slip if you would like your child to attend.

English

We are starting our new book 'Beggu'. The children have written their own Alien profiles!

Maths

In Maths, we have been exploring numbers to 40. The children have been using practical resources such as 10 frames and dienes blocks to explore 10s and 1s.

Science

In Science, our unit this half term is lovely, the children are learning about 'Seasons and Weather'. This week we have explored what the weather is like in different seasons and how the trees change in each season.

History

In History we are starting a new topic all about "London". The children have started to piece together a timeline of the events that took place. The children could not believe that there were no computers in 1666!!

PSHE

In PSHE, we are enjoying the Jigsaw unit 'Dreams and Goals'. We have begun by setting simple goals for ourselves and thinking of things that we do well.

ART

We have moved onto to ART this term. We will be learning about Hayley Blackledge and how she uses light to produce amazing photographs.

Music

In Music, we will be completing the unit, In the Groove and Round and Round. We will learn how to find the pulse in the songs and eventually get to perform the songs to other Tigers.

PE

The children are exploring the units 'throwing and catching' and 'cool core'. The children will be developing their throwing and catching skills in their Multi Skills session and work on strengthening their core in fitness sessions.
