Issue 4

Messages

- Another busy week this week! I am so proud of how the children have been working.
- We enjoyed the play by Altru Drama for Anti Bullying Week and enjoyed wearing our odd socks!
- We had a lovely day in our own clothes today and raising money for Children in Need.
- We continue to remind the children of Our School Values which are:
 - ❖ **Be Respectful**
 - ❖ **Be Responsible**
 - ❖ **Be Safe**

English

- We have continued with our exciting magical story Leon and the Place Between. We thought about what people would ask about the Place Between. We have sequenced the main events and have started to write our own story based on Leon and the Place Between. We have really worked hard!

Maths

- We have completed more work on subtraction in maths using the column method exchanging hundreds and tens. We have now moved onto solving word problems using bar models.

Science

- In Science, we have started our new topic all about raw and synthetic materials. We have learned what a raw material is and what a synthetic material is. Ask your child if they can tell you.

Geography

- In Geography, we have looked at how England is split up into different regions. We know that Liverpool is in the North West . We have looked at maps to see what cities are in each of the regions.

PE

- This week we have been using different bats and balls in our throwing and catching unit. Learning different skills to hit the ball. In our core strength unit we have been completing circuits to improve our strength.

News

Academic Excellence

Well done to the following children who have been our 'Workers of the Week' in recent weeks:
