

## Zebra Class Newsletter

Issue 7

### Messages

- Wow ! What a week with this weather!
- We continue to remind the children of Our School Values which are:  
**Be Respectful    Be Responsible    Be Safe**

### English

- We have started a new book called The Heart in the Bottle by Oliver Jeffers. We have looked at how adding prefixes to a word can change the meaning for example happy and unhappy. We have written a post card in the past tense to explain how the character has had a wonderful time.

### Maths

- We have continued our work on multiplication and division and are now looking at formal methods to work out answers by using short multiplication in a column and bus stop methods.

### Science

- We have begun to look at sound and have found out that sounds are vibrations through the air. The particles in the air wobble and vibrate which makes us hear a sound.

### History

- In History we have started a new topic all about the Shang Dynasty. We have found out about the Yellow River and Emperor Tang of the Shang Dynasty. He was a very popular Emperor.

### PE

- We have started our skip to the beat unit where we have been thinking about how we jump and learning to skip. We also started gymnastics this term where we have been rolling, stretching and jumping.

### PSHE

- We have started our new jigsaw piece called dreams and goals. We have discussed what a dream and a goal is and looked at difficulties people may have faced to achieve a dream.

### News

#### Academic Excellence

Well done to the following children who have been our 'Workers of the Week' this week:

- ❖ Willow H, Ivy W, Louis S, Tallulah P

#### Clubs

- Children have enjoyed the new clubs available to them.

#### PE

Children can attend school in full Whiston Willis PE kits on Monday and Thursday.

To see all our latest learning and for school updates, please follow @ZebraClassww and @WhistonWillis1 on twitter.

**Thank you for your continued support**

**Miss Harrison**
